

Help Protect Against Expensive Wheel & Tire Theft With Ford Accessory Wheel Locks!

**Wheel & tire theft is on the rise all across the country,
in small towns and large ones.***

Having your wheels and tires stolen could leave you stranded in a bad place at the worst possible time. Not to mention the insurance deductibles, wasted time and your inconvenience.

Genuine Ford Accessories

Ford's easy to use, one-piece wheel lock functions like a regular lug nut, but requires a special key tool for installation and removal.

Exclusive Ford key patterns for maximum security and service.

Master key sets allow Ford dealers to service your vehicle even if you forget or misplace your wheel lock key.

Application Part Description	Part #
